2:45pm	5 minute warning for tidy up time
2:50pm	Tambourine rings for tidy up time
3.00pm	Doors open and children go home.

Letters and sounds: we fit letters and sounds into our children's play and cater it to their learning needs. As well as having a focused group session each day.

Outside – The children have access to the outside activities at all times, the whole group will visit the school grounds to utilise the grass pitch and climbing equipment as often as we can.

We have extra activities such as Forest School, Ballet and the music man which alternate each term to ensure all children can take part in the activities.

Though we have a set routine we do change it accordingly dependent upon what's happening in our day.
