3.00pm	Doors open and children go home.

Letters and sounds: we fit letters and sounds into our children's play and cater it to their learning needs.

Outside – The children have access to the outside activities at all times, from time to time we will visit the school grounds to utilise the grass pitch and climbing equipment as often as we can.

We have extra activities such as Forest School, Ballet, Spanish and the Music Man which alternate each term to ensure all children can take part in the activities.

Though we have a set routine we do change it accordingly dependent upon what's happening in our day.
